St Simon Stock Secondary School: Colwood Park, Maidstone, ME14 3DF

BRING IT BACK!

As we arrive into a new year of the Church with the Season of Advent, we are hoping to reintroduce certain ministries and resources that have been absent for the past 18 months. Therefore we are looking to bring back:

Hymn Books: They shall now be made available as from Sunday. The words of the hymns will continue to be made available on our website as you are more comfortable bringing in your own printed sheet than we are.

Newsletters: Printed Newsletters will be available from the Church Office on 28th November. It would be helpful, if people who had the option to print the newsletter from the website, would continue to do so.

Mass Sheets: We will be bringing back Mass Sheets but we have bulk covering a number of weeks so we are not too sure when they will be provided as soon as possible.

Collection: We wish to take away the bowls at the back of the Church and use the Collection bags again. Please can we ask for people who wish to volunteer and coordinate this for each Mass, ideally having 5 each Mass.

Offertory: We are looking to bring back an offertory procession with a water being brought up to the altar from the back of the Church of Mass. It would be helpful to have a regular coordinator to organise this.

Altar Servers: Calling all our servers. We were very blessed with our altar servers and we warmly welcome back any of our altar servers to come back to us when they are ready. We will wait until the new year before we start looking to train new servers. This will be for anybody who has celebrated Communion.

Readers: Before all the changes we would have two readers for each Mass. We can we would very much like to reintroduce this. If you wish to be a reader or on our reading rota then please let the parish office know by email.
